## Calling ALL AMA Pilots!

Join us for a pressure free weekend of aerobatic flying! Coaching, aircraft set-up, IMAC and Pattern de-mystified! More flying! How to enjoy your first contest! If it loops, rolls and can fly 8 minutes, bring it for hands-on fun! Any plane, any pilot!

## Entry Fee:

IMAC members: **FREE**

- sign up by email to CD

Non-members: **FREE**

- sign up by email to CD

First timers: **FREE**

Try IMAC in a stress free non-competitive environment! Aircraft DOES NOT need to be a scale aerobatic aircraft. Pilots will fly the 2023 Basic or Sportsman sequence and will receive tips, techniques and feedback. Fantastic introduction to precision aerobatics, IMAC or Pattern!

YOU WILL NOT BE DISAPPOINTED.
