

### CCF Membership Meeting Minutes 02/08/2025

- President Jim Brazeal
  - We are still collecting dues for 2025. On March 1<sup>st</sup> we will change the gate combinations and only those who have paid will receive the new combinations.
  - Runway Update – The county received a bid for \$170k to install a new asphalt runway at the field. As of now, they are seeing if they have enough funding to do it this year or if it will be deferred until next year.
  - The proposed events schedule for 2025 was discussed – see attached
  - There was a discussion regarding the helicopter flying at the west end of the field. Fixed wing aircraft are requested to fly a short pattern on the west end when helicopters are present.
  - We are getting some Clay County Flyers Stickers made. Contact Jim if interested.
- VP Dale Schock - We will be looking for both labor and donations to accomplish three projects.
  - Pressure wash/seal flying tables
  - Awning extensions on both east and west side of the current awning
  - Replace bad wood on tables.
- Treasurer Peter Craig – We currently have over \$8000 in the club account. This money will be used to repair the runway if the county does not provide an asphalt runway.
